We know how important it is for you to have the right people around you in business; we also know how important it is that you get the best support for the best possible price. That's why we pride ourselves on offering an incredible service that's affordable as well.

Our Small Business Packages are designed to give you all the support of a champagne lifestyle on a lemonade budget – well, we prefer gin & tonic.

> "We looked at a number of HR options and couldn't find another company that offered what Greenburn did – they were half the price of any other option"

Our packages include, as standard:

- Legally compliant and customised Employee Contracts.
- A compatible Employee Handbook.
- Inclusive People Management support.
- HR-on-Demand – we are available when you need us.

Our packages are differentiated purely by the number of employees in your business; pricing shown is monthly payments inclusive of VAT:

Silver Package – up to 10 employees, pricing starts from £250
Gold Package – up to 15 employees, pricing starts from £400
Platinum Package – up to 20 employees, pricing starts from £550

Custom packages are available for larger and more complex companies. And for an additional nominal fee we can include Digital HR to your package, to fully modernise your HR offer.
